All-LGBT Riverboat Cruise

August 21-30, 2012

10-day / 9-night European vacation featuring 2 nights in Prague and a fascinating cruise from Nuremberg to Budapest

There's no better way to experience Eastern Europe than on a riverboat cruise. Discovery, friendship, style and comfort all come together for the perfect Danube holiday.

On board the *ms AmaCerto* you will savor the luxury of more space than any other riverboat in Europe. With this great riverboat, we've created an itinerary that includes the two best Eastern European cities which have become prime destinations for gay and lesbian travelers.

We start with a tour in Prague, where we explore and enjoy two days in one of Europe's most beautiful cities. We'll join the *ms AmaCerto* in Nuremberg and travel through the Bavarian forests of Germany to Regensburg and Passau, for an optional excursion to Salzburg and then continue along the Danube to Linz, to Melk, and then two evenings and two full days in Vienna. From here we will continue down the Danube to the historic capital of Slovakia, Bratislava. Then, conclude your European river cruise vacation in vibrant Budapest, a famous haven for musicians, writers and artists.
